Prayer Conference

Dream Centre • 9-11 October 2009
(Friday - Sunday)

Glory & Power-
Growing as Disciples through Prayer

Why the Conference?

The Lord desires an awakening within the church for a heart for Him and the things of His. An examination of the past revivals in history has led us to the conclusion that there are two primary factors which were evident in those movements that are lacking today: **Prayer and Disciple-Making**.

This conference is a call to believers to return their emphasis to prayer and discipleship. Although it is scripturally mandated, these two ministries are often afterthoughts or neglected completely in the life of the church. This must change if the church is to experience the power and presence of God in such a way that it transforms our families, whole congregations and communities and nation.

Keynote Speaker
Pr Dr Philip Lyn

Philip Lyn is the senior pastor of Skyline SIB, in Malaysia. He is also a medical doctor who leads an unusual team of pastors that combine workplace ministry with that in the local church. The church meets 24/7 in a five-star resort hotel that reaches out into the city and works with the suburban and rural poor. It is missional in culture, has a disciple-making vision and influences marketplace leaders live out Kingdom principles for community transformation.

He was saved through the work of missionaries as a youth, revived as a student on an OM European summer crusade and spiritually tutored over the years in the UK and in Asia. He has also been involved in leading national prayer conferences in Malaysia; he takes spiritual retreats and speaks at men and workplace seminars in Asia, Australia and the UK. He is married to Nancy and they have three wonderful children, one of whom was a miracle child whom God raised from the dead.
